

Situated in the southern part of Camiral Golf & Wellness, this apartment is one of the most modern properties in El Bosc Apartments. Designed by the award-winning Barcelona studio of architect Jaime Prous, the apartment is seamlessly integrated into the natural landscape, showing a strong commitment to respecting nature.

Located in a peaceful wooded area of the resort, this exclusive apartment showcases cutting-edge sustainable design techniques that prioritize both the environment and the wellbeing of its residents. Trees between the apartments enhance privacy while providing exceptional views of the iconic lake and fairways of the Stadium Course.

This elegant 116 m² apartment features three bedrooms and two bathrooms, including a master suite with a walk-in wardrobe. The open-plan living space is bathed in natural light thanks to floor-to-ceiling windows that blend the indoors with the outdoors. The spacious 43 m² terrace offers spectacular views of the golf course and mountains, creating a sense of space, light, and sophisticated design.

Equipped with the latest designer fittings and smart home technology, the apartment also includes a closed garage for a car and a buggy, as well as a storage room. Residents can also enjoy a communal infinity pool, enhancing the luxurious living experience.
