

11 LA SELVA TERRACE VILLA

At the heart of Camiral Golf & Wellness, the 3-bedroom properties benefit from a privileged location combining unique privacy, amazing views and walking distance to the Clubhouse, Resident's Club and other key resort facilities. The development has been divided into small modules to preserve the natural surroundings providing each module with the perfect golf views, while reducing the impact on the horizon. Each of the units is distributed across 2 floors and terraces benefiting from Golf views and private gardens. The spacious properties are divided between social areas and 3 bedrooms, designed to make the most of the panoramic views over the fairway, and the ideal solar orientation and exposure. Merging interior and exterior spaces to perfection, the architecture harmoniously dissolves the volumes into the forest, providing privacy, shade or visual borders to these unique homes. Terrace Villas benefit from a private parking area, a storage room and a community infinity pool .
